Chinese New Year Greetings from GLHK
HIGHLIGHT OF THE ISSUE

SIGGRAPH Asia 2011 is a shining star within creativity industries in Asia. This past December, Hong Kong hosted the annual event. SIGGRAPH Asia serves as a platform for the industries to exchange ideas and learn about emerging or new technologies, SIGGRAPH is reputed to be Asia’s largest gathering of creativity industry professionals. According to the post-event release numbers, the four-day event brought over 7,500 computer graphics and interactive techniques professionals and enthusiasts who hailed from 53 countries. The event featured many programs, such as: art gallery; Computer Animation Festival; trade exhibition, and many others, filling the Hong Kong Convention and Exhibition Centre. GLHK was appointed as the official AV provider of the event. In addition to providing the Audiovisual, computer equipment and lighting systems, our hospitality division, French Touch, also assigned promotional staff and simultaneous interpreters working for different areas. As the official AV provider, our team members, of course, stationed at the event during the event period. They were so busy to help out exhibitors who came to us for equipment rental. Did they have free time to walk around all venues? I wonder!
A HOLIDAY OF TIFFANY TREASURES

Christmas - The warmest and loveliest festival of the year. This holiday season, our French Touch team provided hosting services for “A Holiday of Tiffany Treasures”, which was organized by Hong Kong Tourism Board and sponsored by Tiffany & Co. With a beautiful 18-metre tall Christmas tree and an enchanting carousel, it became the focal point of the busy Central District. Open to the public and running continuously from 25th November 2011 to 1st January 2012, it was 35 days of joy, happiness, and hard work for our handsome team at Statue Square.

Professional hosting means well prepared hosts, in high spirits. To insure this, team members attended a half day briefing before the event. Then, overseeing the event, we provided on-site chief hostess who coordinated and monitored the team. Additionally, our managers were regularly on-site, maintaining our team’s moral and good cheer.

Participants could take pictures in the photo booth; have a ride on carousel; send Tiffany’s postcards to their friends and buy Christmas candies at candy cart. In the spirit of giving, revenue from the ticket sales was donated to “Make A Wish - Hong Kong”, which aims to grant wishes to children with life-threatening medical conditions in Hong Kong and Macau.

Proudly wearing Tiffany’s shirts, our team members provided assistance to the public and gratefully accepted public donations. While the weather was chilly, hearts were warmed by the spirit of the season and the acts of kindness to those in need.

GLHK ANNUAL DINNER

2011 was a fruitful year for GLHK. Our sales revenues exceeded our expectations and had a respectable growth rate. After a year of hard work, it was time for all team members to get together for a big dinner. The annual dinner was held at a restaurant in Central. In addition to a delicious meal, we had lucky draws which guaranteed all team members a prize. Some lucky ones even got multiple prizes. It was a fun evening with lots of laughter and happiness. Thank you Management Team!
